ODOR RECOGNITION TESTS: Odors: Birch, Anise, Clove

This ORT test is being held at a doggy daycare facility. There are no steps to get in or get out of the building. Adjacent businesses are open until noon on Saturdays so please follow the directions of the parking lot person so that we don't affect their businesses adversely. Most parking will be across the street from the facility, with a few adjacent to the building for those who have mobility issues. Please take care in crossing the street – there will be local residential as well as business traffic. The parking lot is concrete with some uneven areas, so please watch your step. Flooring inside the testing area is rubber matting. Due to unforeseen conditions, such as weather or change in availability of areas at the location, the expected test area, parking, and/or pathways may be modified at the last minute.

Entry method – First received By USPS Mail. Overnight deliveries must have the signature waived box checked. Entry must include both a check for payment and an entry form filled out for each dog entered.

Entries close October 26, 2018 at 5pm or when entry limits have been met.

Entries are LIMITED to 90 tests.

Test Site Hours: 10am – completion of all tests. Details regarding check in time and briefing will be sent approximately 1 week before the ORT.
